A POINT FROM THE PUBLISHER

Larry W. Robinson, Publisher

I sincerely appreciate you for taking time to read Bullet Points, the newsletter of the Black Business Honors. This resource is designed to help educate, empower, and encourage you.

This month I decided to share inspiration and motivation from famous Black people of influence. I have used their quotes as the bullet points for the month.

Many are saying that we are in the middle of a recession, but I want to caution you about making that confession over your life and business. You will have what you believe and confess. I want you to believe and receive that business is booming for you. Affirming that truth, I decree and declare that you will receive flourishing contracts, clients, customers, cash, and “coins” in your business in the days ahead. Overflowing blessings to You!

STRAIGHT TO THE POINTS...

MINDSET:

Every time you state what you want or believe, you're the first to hear it. It's a message to both you and others about what you think is possible. Don't put a ceiling on yourself.
– Oprah Winfrey

What you're thinking is what you're becoming.
– Muhammad Ali

I don't have any time to stay up all night worrying about what someone who doesn't love me has to say about me.
– Viola Davis

The secret of life is to have no fear; it's the only way to function.
– Stokely Carmichael

COLLABORATION:

"I always make sure I hire people smarter than me." — Aliko Dangote (Source: Forbes)

"All business is personal... Make your friends before you need them." — Robert L. Johnson (Source: Entrepreneur Hall of Fame)

"It's up to you to bring yourself to the attention of powerful people around you. They're not going to find you on their own." — Richard Parsons (Source: Tech.co)

"Sticks in a bundle are unbreakable." — African proverb

IMPACT:

A life is not important except in the impact it has on other lives.
– Jackie Robinson

You never know which experiences of life are going to be of value . . . You've got to leave yourself open to the hidden opportunities.
– Robin Roberts

Some people want it to happen, some wish it would happen, others make it happen.
– Michael Jordan

Never be limited by other people's limited imaginations.
– Dr. Mae Jamison

MOTIVATION:

"I had to make my own living and my own opportunity. But I made it! Don't sit down and wait for the opportunities to come. Get up and make them." - Madam C.J. Walker

"I built a conglomerate and emerged the richest black man in the world in 2008 but it didn't happen overnight. It took me 30 years to get to where I am today. Youths of today aspire to be like me but they want to achieve it overnight. It's not going to work. To build a successful business, you must start small and dream big. In the journey of entrepreneurship, tenacity of purpose is supreme." - Aliko Dangote

"Hold on to your dreams of a better life and stay committed to striving to realize it." - Earl G. Graves, Sr.

LOOKING AHEAD...

The 2021 Black Business Honors will be held on Sunday, February 28th, 2021 at 3:00 p.m. Venue and Location to TBA.

HERE ARE MORE POINTS...

INSPIRATION:

"Whatever we believe about ourselves and our ability comes true for us." —Susan L. Taylor

"Hold fast to dreams, for if dreams die, life is a broken winged bird that cannot fly." —Langston Hughes

"I have learned over the years that when one's mind is made up, this diminishes fear." —Rosa Parks

"Success is to be measured not so much by the position that one has reached in life as by the obstacles which he has overcome while trying to succeed." —Booker T. Washington

CONFIDENCE:

I am America. I am the part you won't recognize. But get used to me. Black, confident, cocky; my name, not yours; my religion, not yours; my goals, my own; get used to me." —Muhammad Ali

"The soul that is within me no man can degrade." —Frederick Douglass

I really don't think life is about the I-could-have-beens. Life is only about the I-tried-to-do. I don't mind the failure but I can't imagine that I'd forgive myself if I didn't try. – Nikki Giovanni

Yes we can! – Barack Obama
